

SOCIAL MEDIA MANAGER CHINA

Are you a classical percussionist and come from China?

Are you interested in a completely new challenge in which you can use your expertise as a percussionist and your enthusiasm for social networks like WeChat?

Then contact us because we are looking for a social media manager specifically for China!

As a social media manager, you will create accounts for the most important networks in China and build them up by adapting content from our other networks like Instagram and Facebook or creating new content in Chinese. You build a community and followers and bring our brand closer to people.

WHAT YOU SHOULD BRING:

- Chinese as a native language
- Solid English knowledge
- Enjoy creating content
- Enjoy social media

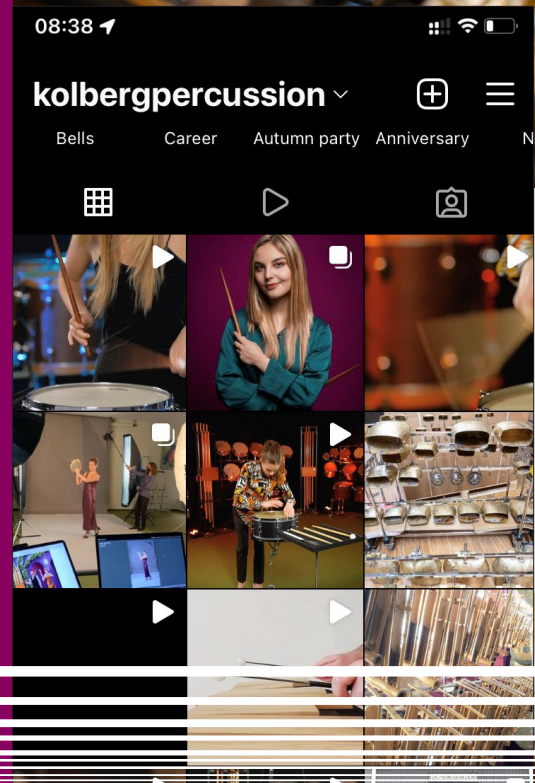

WHAT WE OFFER YOU:

- A task with a lot of creative options and freedom
- The opportunity to build a Chinese social media presence for Kolberg and deepen your marketing knowledge
- Flexible working hours and mobile working in part time (about 8 - 16 hours per week)
- Short decision-making processes in a young team
- Special conditions on Kolberg products

INTERESTED?

Do you feel addressed and would you like to find out more about this position? Then send us an email to jobs@kolberg.com with a short cover letter and your CV. We look forward to meet you!
